**JONES' GLAD GARDENS**  
**HAYDENVILLE, MASS.**

**PRICES.** One to nine bulbs of a variety at the price quoted. Ten to 25 bulbs of a single variety at 80% of the single bulb rate. Price on larger quantities upon application. You cannot combine different varieties to get quantity rate. Terms are cash with order.

**DISCOUNTS.** On orders from \$2.00 to \$5.00 you may select 10% extra in bulbs. From \$5.00 to \$25.00, select 15% extra in bulbs. From \$25.00 to \$50.00, select 20% extra in bulbs. All over \$50.00, select 25% extra in bulbs.

**EXTRAS.** If you send me an order I will endeavor to please you by sending you good clean bulbs and a generous amount of extras according to the size of the order.

**BULBLETS.** Bulblets are not guaranteed to grow as many kinds are very hard to make germinate. It is an economical way to start a stock of the newer and higher priced varieties but if you buy them you will have to take a chance on their coming up.

**PLANTING** and growing instructions will be included with the order.

**BULB MIXTURES.** If you wish a mixture of bulbs and do not care about the names, I can send you a nice flowering assortment made up of many different varieties at the rate of 40 for \$1.00.
